Public Remarks

Welcome to the hidden treasure called Teal Lake Estates. I kid you not, what a great price for such a picturesque corner lot that's almost a half acre and is already complimented with a beautiful lawn and trees. The back of the lot backs up to a wooded area giving you lots of privacy. Since the home is on a corner you can probably face the home in a couple different ways. This is a small community of upscale custom homes in a quiet setting and country atmosphere but an easy commute to Danville, Plainfield and Greencastle. I encourage you to take a drive to Teal Lake Estates and check out this lot for yourself. I know you on't be disappointed.

Public Remarks

Your dream property awaits! This is one of 2 recently divided lots on the northwest side of Avon. Enjoy privacy and plenty of space to place your dream home. This particular lot is 2.35 acres nestled down a newly created and privately maintained county road that takes you directly to your lot situated on a cul-de-sac. It's an open lot with great views of farm land and a wide variety of mature trees in a very quiet serene setting. Lots of nature around with deer, turkeys and more. Easy to develop and envision your home on the lot. The price of the lot includes the significant development of this road which has only left the driveway for the new owner to install, thus reducing the cost for the buyer when they go to build their home. There are just a few small covenants about the road maintenance and farm animal restrictions. Lot is in a fantastic location offering a rural setting, yet just 2 miles from the new Avon town hall development that is currently underway.
