Public Remarks

Your dream property awaits! This is one of 2 recently divided lots on the northwest side of Avon. Enjoy privacy and plenty of space to place your dream home. This particular lot is 2.35 acres nestled down a newly created and privately maintained county road that takes you directly to your lot situated on a culde-sac. It's an open lot with great views of farm land and a wide variety of mature trees in a very quiet serene setting. Lots of nature around with deer, turkeys and more. Easy to develop and envision your home on the lot. The price of the lot includes the significant development of this road which has only left the driveway for the new owner to install, thus reducing the cost for the buyer when they go to build their home. There are just a few small covenants about the road maintenance and farm animal restrictions. Lot is in a fantastic location offering a rural setting, yet just 2 miles from the new Avon town hall development that is currently underway.
